Note from Lynda

No one loves needlework shops more than my friend Nan and I. We travel everywhere and buy from them all. If you haven't been in a shop lately—make a visit—needlework has changed so much that you will be surprised. If you don't have a needlework shop near you to visit we would love to have you as a customer. If there is anything we can help you find—call us (318.752.4444) or email us (lynda@knots-n-needles.com) or visit our website www.Knots-n-Needles.com. We simply don't have time to list everything on our website. We will be happy to mail you anything you need. You can view our wholesaler at www.Hoffmandis.com and let us know what you need. We also offer great finishing services. Framed pieces, Knots Boxxes, Door Hangers, Pillows, Pins for your jacket, Stockings, etc. We hope to see you soon!

Happy Stitching!
